

NEW TECHNOLOGY-NEW TIMES

2010 CONVENTION
MAY 6 & 7

EMBASSY SUITES NORMAN – HOTEL & CONFERENCE CENTER

2501 Conference Drive

Norman, Oklahoma

Highlight Event: Wednesday, May 5, 2:00 pm to 7:00 pm

A tour of the University of Oklahoma Sarkeys Energy Center and a guided tour of the Sam Noble Oklahoma Natural History Museum followed by a pre-convention special reception.

Transportation to and from the hotel, tours and reception is included.

The University of Oklahoma Sarkeys Energy Center is most comprehensive center of knowledge in the petroleum industry.

The University of Oklahoma Sarkeys Energy Center includes six interdisciplinary institutes and a special institute which focuses on the Western Hemisphere. All the institutes involve faculty from the colleges of Atmospheric & Geographic Sciences, Arts and Sciences, Law, Business and Engineering. Focusing on the energy-related strengths of the university, the institutes develop technology and programs that advance the energy industry in the state and throughout the world and provide significant, "real world" research and education opportunities for students.

Sam Noble Oklahoma Museum of Natural History

The Sam Noble Oklahoma Museum of Natural History on the University of Oklahoma Campus is collectively working to inspire understanding, appreciation, and stewardship of the earth and its peoples. On May 1, 2000, the museum opened its doors to a new century. Over 4 billion years of Oklahoma's natural history can be seen in a 198,000 square foot facility. Five galleries feature thousands of artifacts in 50,000 square feet of exhibit space. Visitors can immerse themselves in the fascinating natural and cultural history of Oklahoma.

Sponsors, exhibitors and additional speakers will be announced in the next brochure and on the NARO website. Book your Convention and Hotel reservations now to take advantage of our Early Bird Convention and Highlight Event registration savings.
